

## The Cloverbelt Country Farmers' Market

invites you to:

# Become a Vendor!

- Have a special talent for cooking, crafting, building, growing or sowing?
- Always dreamed of opening up your own shop or small business?

## Why not hang up your shingle at the Cloverbelt Country Farmers' Market!

The CCFM is expanding this year and wishes to include **MORE** local artisans, crafters, food producers and bakers to our markets. We can offer you access to a consumer market actively seeking locally produced goods on a weekly basis.

## How do I become a vendor?

Simply arrive with your wares at the Oxdrift Market before 9:00am on Saturdays (June – October 2011) or before 3:00pm at the Dryden Market on alternate Thursdays (July – October 2011) and we'll help you set up your stall. A \$20 table fee applies to each 10 foot plot, and this fee includes a table and tent for your display.

All CCFM vendors are required to pay a 1-year membership fee of \$25. However, new vendors do not have to pay for a membership until after their first week at the market and there is no obligation to return after your first week. **So come try it out!**

**Questions? Need More Info? Please contact us!**
